

Keep Kids Learning All Summer in Just Minutes a Day!

Prevent summer learning loss with proven, research-backed workbooks.

During the summer months, students can lose nearly **40%** of their total school year gains, which can greatly impact their ability to succeed in subsequent grade levels.

Help your child stay ahead this summer with *Summer Solutions*, and keep their reading, math, and English skills sharp!

Parents love **Summer Solutions** workbooks because they...

- Are available for PreK through 8th grade
- Include 30 different lessons (3 lessons per week over a 10-week summer)
- Review a variety of core academic skills
- Can be completed in a few minutes a day
- Are portable for easy access during vacations, road trips, and pool days
- Provide help pages and an answer key for ease of use

“

“Summer Solutions is an easy way to review the material and keep an academic link through the summer. The lessons are quick and not intimidating for the kiddos.”

— Sarah, *parent*
