Visitor Information

(POST ON WEBSITE AND AT ALL SCHOOL ENTRANCES)

VISITORS/VOLUNTEERS

The school allows only necessary visitors and volunteers on the campus and will limit the number of students and staff who come into contact with them.

FACE COVERINGS - We will support students and staff wearing masks by:

Communicate with all staff and families regarding expectations for use of face coverings at school. Educate students on the rationale for and proper use of face coverings. Post signage to remind students and staff of the importance of masks and how to properly wear them. Extra masks on hand to supply to students and staff if their own is not useable or available.

PHYSICAL DISTANCING - We will support physical distancing by:

Communicate with staff and families regarding physical distancing requirements and recommendations. Train staff and students on protocols for physical distancing for indoor and outdoor spaces. Post signage reminding students and staff about physical distancing in prominent locations. Allow only necessary visitors. Maximize spacing between student desks to the extent practicable. Distance teacher and staff desks at least six feet from student desks. Assign stable seating arrangements.

CLEANING & MAINTENANCE

We will support cleaning and maintenance of our campus by:

At least daily, and more frequently if feasible, clean and disinfect frequently touched hard surfaces and shared objects pursuant to CDC guidance. Change HVAC filters quarterly. Maintain signage and pavement markings.

HYGIENE - We will support routine and frequent handwashing by:

Teach and reinforce proper handwashing and nose/mouth covering techniques. Post signage in high visibility areas to remind students and staff of proper techniques for handwashing and covering of coughs and sneezes. Ensure adequate supplies including soap, face coverings, and hand sanitizer. Minimize the sharing of equipment among staff and students to the extent feasible. Minimize staff and student contact with high touch surfaces.

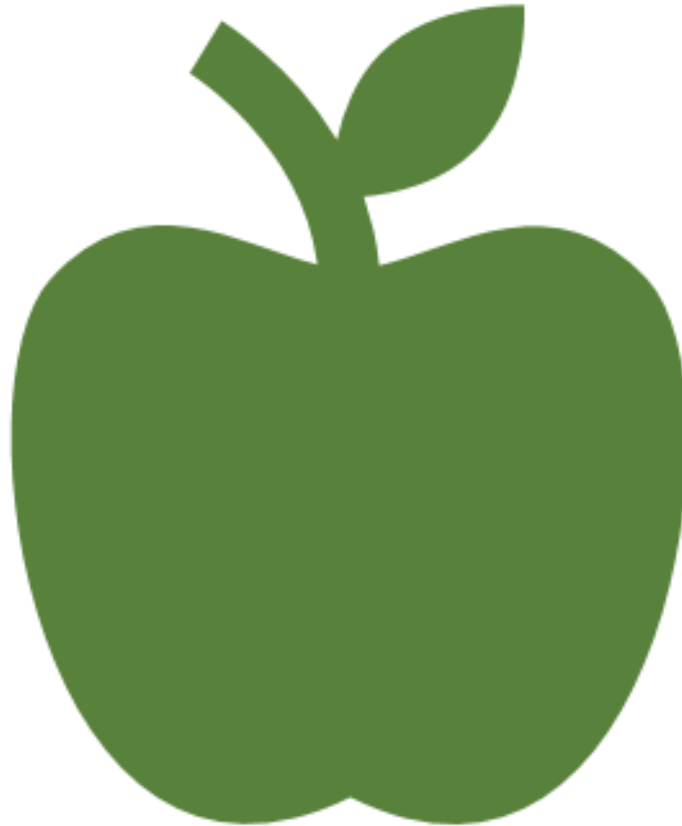

ROUTINE TESTING - We will encourage and support staff testing by:

Provide monthly on site testing for staff.

- **Families are required to report known cases of COVID-19 in their household to the school immediately. The school will report all known COVID-19 cases to Santa Clara Public Health.**
