

All in for all kids!

Our mission is to foster academic excellence through offering innovative learning opportunities and curriculum – creating a culture committed to high standards. We promote a shared responsibility among the child, home, school, and community to achieve this goal. Our children will have the skills to positively impact their lives and future generations.

August 2021

Dear Capri Families,

On behalf of the Capri staff, I would like to welcome you to the 2021-2022 school year! I am honored to continue to serve as principal at Capri, and I am thrilled to be working with our highly qualified and dedicated staff, our wonderful students, and our supportive parent community. We are committed to providing our students with a rigorous and relevant educational experience that includes 21st Century learning and the skills and knowledge that they need to be successful in college and career. **As of now the CDPH Guidelines require that masks be worn by everyone while indoors. Masks are optional while outside (as we know all too well, this can change at a moment's notice).** Our Capri staff looks forward to seeing you all on Thursday, August 19th, the first day of school.

First couple days of school: I wanted to let you know that I will not be on campus the first couple of days of school. I will be taking my daughter to college to begin her freshman year. I plan on being back on Monday, August 23. Our Equity TOSA, Lisa Wiseman will be in charge. I thank you all for your understanding.

Class Assignments

Class lists will be posted on our website <https://capri.campbellusd.org/> by 4:00 p.m. on Wednesday, August 18. Your child will only be identified by his/her CUSD ID number and not by name. **Your student's ID number is above.** In order to balance class enrollment, it is possible that further class changes might need to be made after the school year begins. However, we will do our best to keep any changes to a minimum. Thank you in advance for your understanding and cooperation regarding this matter.

Capri PTA

All parents are invited and encouraged to join our Capri Parent Teacher Association. Our PTA contributes greatly to our school programs and serves as an important partner between home and school. Find out about all of the exciting upcoming activities and events that are sponsored by our PTA by checking their website at: www.capripta.com.

Capri Expanded Learning Program

Capri offers both a fee-based and a subsidized preschool for children ages 3-5. We also offer Campbell Care, a supervised before and after school child care program for students attending Capri, as well as fee-based after-school enrichment classes. For additional information, please contact our CUSD Expanded Learning Department at 408-341-7283.

Capri Communication

Follow us on Twitter at @Capri_Cougars for the latest events at Capri. Each classroom also uses SeeSaw to share with parents and families all the wonderful learning happening at Capri. **Please join when invited by your child's classroom teacher.**

Traffic and Safety

To ensure the safety of our students and families, please follow these guidelines during daily drop-off and pick-up times:

- If possible, avoid driving to school. If you must drive, please park safely in the neighborhood, and then walk the short distance to school. **Please do not block neighborhood driveways.**

- The circular driveway in the front of the school is for drop-off and pick-up only. Enter from the west end, and exit from the east end of the driveway---always pulling to the forward-most position. The right lane is for curbside loading and unloading of passengers, and the left lane is for drive-through traffic only.
- Do not block or park in the Red Zone.

Capri's Parent Learning Community We recognize that behind each successful student are supportive families, teachers, school staff and community members who actively participate in a student's education. No matter what role you play in our school community, Capri's Parent Learning Community encourages involvement and participation in the education of our community's students. Over the school year, we will have a number of guest speakers to present on topics such as transitioning to middle school, supporting your child's social-emotional learning, and much more.

Included in this letter is the 2021-2022 bell schedule. As you check the dismissal times for both regular and shortened days, please keep in mind that regardless of the dismissal time, the campus opens at 7:50 a.m., and instruction begins promptly at 8:00 a.m. each day. **Students should not be dropped off or arrive on campus earlier than 7:50 a.m. as there is no morning supervision.**

Capri Handbook The entire handbook is available online at Capri's website: <https://capri.campbellusd.org/> You may also ask for a physical copy in the front office. An At-a-Glance is included in this letter.

We are looking forward to a wonderful year!

Sincerely,

Eric Brown
Principal
