All in for all kids!

Our mission is to foster academic excellence through offering innovative learning opportunities and curriculum – creating a culture committed to high standards.

We promote a shared responsibility among the child, home, school, and community to achieve this goal. Our children will have the skills to positively impact their lives and future generations.

Transitional Kindergarten (TK)

*Students turn 5 yrs. old between
September 2 and December 2*

*The curriculum bridges preschool and
kindergarten, and includes specific
strategies for supporting the unique
social–emotional development and
educational preparation for this group
of young learners.*

California Common Core State Standards

Essential Standards

What do we want our students to learn?

Some standards have a greater impact beyond the current grade level and are relevant across multiple courses and disciplines. Others seem to deepen understanding and skills only within a certain course or discipline. Essential standards help clarify what our students learn.
